In order to be eligible to participate in the Open Water Swim Race, you MUST read and sign the agreement below and return it with your application.

For several years, many of the athletes participating in the Wyckoff-Franklin Lakes Triathlon have taken the liberty of swimming the tri swim course in Franklin Lake, both before and after the race. These individuals access the lake from the Indian Trail Club. This practice is not permitted and constitutes trespassing. It also poses potential liability risks to the Indian Trail Club and the Wyckoff Family YMCA.

Indian Trail is a private club and its beach, docks and swimming areas are restricted to members only. The race committee is determined to stop the unauthorized use of Indian Trail Club and Franklin Lake by race participants. Any non-club member swimming in Franklin Lake or using Indian Trail Club facilities will be barred from competing for the next three years and will forfeit any entry fee paid. All race participants must sign this form and return it with their application in order to be eligible to compete. By signing, you agree not to make unauthorized use of the Indian Trail Club or Franklin Lake as well as agree to adhere to the instructions of all race officials and you acknowledge that the penalty for doing so will be forfeiture of your entry fee and disqualification from the 2013 Open Water Swim and for three more years to follow.
